

Mastertac®
The **smart** choice.

New digital paper product combination:

High Gloss Laser HS-FSC + extra permanent adhesive

Our self-adhesive Digital range now includes a white high-gloss face with extra permanent adhesive.

High Gloss Laser HS-FSC with extra permanent adhesive and scored backing is the smart choice for applications that require high adhesion. It works on rough or porous surfaces such as cardboard boxes, among others.

Our self-adhesive Digital paper portfolio now covers all common adhesive needs – removable, permanent and extra permanent – with the launch of this new high adhesion labeling solution.
