

New **digital** self-adhesive paper:

Laserfine M HS-FSC

A new uncoated supercalendered label face has been added to our Digital Standard Offer. Laserfine M HS-FSC is specially optimized for logistics, promotional and retail labelling and many other applications requiring custom labels with variable information.

Laserfine M HS-FSC labels are well-suited for routing, tracking and tracing objects through the supply chain, and facilitate inventory-taking for warehouse goods.

In retail industries, Laserfine M HS-FSC labels provide vital information for numerous items, from garments and accessories to home and personal care products.
